RC: *Why ... ?*.

AR: *I do not agree.*

1.2. Major concern #3

RC: *What ... ?*

AR: *Ok, I changed this:*

The cat in the box is ~~dead~~alive.

$$E = mc^2 \quad (1)$$

$$m \cdot \underline{a} = \underline{F} \underline{v} = \underline{p}. \quad (2)$$

But I actually have no idea what you were talking about.
